Hello.

Did we ever get the updated map of all the BIDs? If so, Can you please send a hard copy to me, Imudiase of DWP and Tara Devine (electronic copy)? She is putting together the state of the BIDs report.

Thank you.

Mario:

This is great; thank you so much. I do notice one small issue and I'm wondering if it can be fixed. The map shows CD 4 as LaBonge and CD8 as Parks. Ideally, I'd like to update those since the Council offices would be one of our audiences for the Report.

Thanks!

Tara

Tara,

We can get the council member list updated, but it might take some time. When do you need the updated map?

Thanks
Mario

Within 3 weeks should be fine, maybe even a bit longer. We're reviewing the Report content now, and will start the layout sometime next week.

So the sooner the better, but we can plug it in fairly late in the layout.

By the time we release the Report, the two new CMs will have been in office for almost a year, and since the Council offices are one of the major target audiences, I feel it would benefit from updating those names :)

Thanks!

Hello Mario.

The map lists LaBonge & Parks. Has it been updated with the new Councilmembers and new BIDs yet?

Thank you.
